Re: 2018-002-00596

Dear Louise Matsakis,

This letter is a response to your request pursuant to the Freedom of Information Law received on November 21, 2018 for the following records:

"Any emails, written communications, documents, or other communications between officials from Mayor Bill de Blasio's office and officials from the corporation "Amazon." Specifically, I am searching for communications related to the development of Amazon's second headquarters, which is expected to be located in Queens, New York:

<https://www.nytimes.com/2018/11/05/technology/amazon-second-headquarters-split.html>. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, and minutes of any meetings. The search should be limited to responsive records created between September 17, 2017 and the day the request is fulfilled."

After conducting a search, the Mayor's Office has identified records responsive to your request under FOIL. The responsive records are attached. Please note that some responsive material has been redacted in part as exempt from disclosure pursuant to Public Officers Law §87(2)(b). Due to the number of FOIL requests the Mayor's Office has received for similar communications, documents being disclosed to you today include materials that are outside the scope of your request.

You may appeal this determination in writing within thirty days by addressing such an appeal to Dustin Saldarriaga, Records Appeals Officer -- FOILAppeal@cityhall.nyc.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jenny Parn".
